Advisory Notice

It has been brought to the notice of the Tourism Council of Bhutan Secretariat that some guests are booking their tours through unregistered Tour Operators and also making direct tour payments to the companies contrary to the official transfer channel. Such arrangements have caused immense difficulties to both guests as well as this office. This office would like to inform and request all travellers planning their tours to Bhutan to make their reservations only through registered Tour Operators in Bhutan. A list of local Bhutanese Tour Operators is available on www.tourism.gov.bt or if in doubt, this office can confirm the authentication of the operators should a request for the same be made.

Therefore, it is for information of all concerned that this office will not entertain any complaints related to or resulting out of a tour booked through unregistered Tour Operators in the future.

For further information, and authentication of the tour operators, please contact slhaden@tourism.gov.bt
